## Principal's Message

Bonita School - "Where we honor the past and prepare for the future..."

Bonita School has been at its present location serving the needs of the children of the Santa Maria Valley for over a century. Currently, during the 2009-10 school year, it is a kindergarten through sixth grade campus with an enrollment of 510 students. It has grown dramatically over the past three years increasing its enrollment by over 30%. Bonita School's three greatest assets are: 1) its qualified and dedicated staff, 2) its supportive and involved families, and 3) its appreciative and hard working students. These three groups have combined over the past two years to help Bonita School excel as an academic institution. In each of the past two years, Bonita School has exceeded its state Academic Performance Index target (API), met all of its federal Adequate Yearly Progress (AYP) Annual Measurable Achievement Objectives (AMAO's) in mathematics, and in the 2008-09 academic school year, Bonita School satisfied all 17 of its federal AMAO's. In an elementary school where over 91% of the students who are included in API growth calculations are English Learners and 96% of this same group qualifies for the Free and Reduced breakfast and lunch program, this is an amazing accomplishment and a credit to the staff, families, and students of Bonita School. The Bonita staff continues to work to improve their instruction and all of the services provided to the Bonita families through their collaborative efforts, professional development, and innovative academic program. Bonita School - where the will to succeed drives our powerful, active, intentional instruction! Bonita School is truly "The jewel of the Santa Maria-Bonita School District."

## Mission Statement

We are here to prepare children to be successful citizens.

## School Profile

Bonita School is located in the western region of Santa Maria and serves students in grades kindergarten through six following a traditional calendar. At the beginning of the 2008-09 school year, 421 students were enrolled, including 5% in special education, 23.1% identified for migrant education services, 85% qualifying for English Language Learner support, and 86% qualifying for free or reduced price lunch. Bonita School achieved a 2009 Academic Performance Index (API) score of 706 and met all 2009 Adequate Yearly Progress criteria.

Percentage of Students by Ethnicity  
2008-09 Enrollment: 421

Hispanic or Latino	99.05 %
Caucasian	0.95 %

# Student Achievement

## National Assessment of Educational Progress (NAEP)

NAEP is a nationally representative assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in math, reading, science, writing, the arts, civics, economics, geography, and U.S. history. Student scores for reading and math are reported as performance levels (i.e., basic, proficient, and advanced) and the participation of students with disabilities (SD) and English Language Learners (ELL) are reported based on three levels (identified, excluded, and assessed).

In the following table, only a sample group of California's schools and districts participate in the NAEP testing cycle. Therefore, students in any particular school or district may not be included in these results. The NAEP reflects state test results and is not reflective of either Santa Maria-Bonita School District or Bonita School. Detailed information regarding the NAEP results for each grade, performance level, and participation rate can be found on the NAEP web page at <http://nces.ed.gov/nationsreportcard/>.

Note: Comparisons of student performance on the NAEP and student performance on the Standardized Testing and Reporting (STAR) Program assessments cannot be made without an understanding of the key differences between the two assessment programs. Additionally, the NAEP only provides state test results for grades four and eight. The California Standards Tests (CSTs) are based on a different set of standards than the NAEP assessments. Information on the differences between NAEP and CST can be found on the CDE NAEP web page at <http://www.cde.ca.gov/ta/tg/nr/>.

## Standardized State Assessments

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, ten, and eleven.

Student scores are reported as performance levels. Detailed information regarding the STAR program results for each grade and performance level, including percent of students not tested, can be found on CDE's Standardized Testing and Reporting Results website at <http://star.cde.ca.gov>. Program information regarding the STAR program can be found in the Explaining 2008 STAR Program Summary Results to the Public guide at [www.cde.ca.gov/ta/tg/sr/documents/starpkt5inrpts.pdf](http://www.cde.ca.gov/ta/tg/sr/documents/starpkt5inrpts.pdf).

Social Science						

## Physical Fitness

In the spring of each year, Bonita School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2008-09			
Grade Tested	Number of Standards Met:		
	Four of Six	Five of Six	Six of Six
Fifth	27.1	11.9	16.9
Seventh	-	-	-
Ninth	-	-	-

## Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

**Growth Targets:** For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

**Statewide Rank:** All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

**Similar Schools Rank:** School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

Academic Performance Index (API) Three Year Rank Comparison			
	2006	2007	2008
Statewide Rank	2	1	2
Similar Schools Rank	7	6	7

## Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards-based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

For the 2008-09 AYP cycle, elementary and middle schools must achieve a 46% or higher proficiency rate in English/Language Arts and 47.5% or higher proficiency rate in math on the California Standards Test (CST). Additional criteria contributing to whether or not a school demonstrates AYP include achieving a 95% or above participation rate on the CST and obtaining an API growth score of 650 or increasing the API growth by 1 point.

More information on AYP can be found on the California Department of Education's (CDE) website [www.cde.ca.gov/nclb/](http://www.cde.ca.gov/nclb/) and the U.S. Department of Education's website [www.ed.gov/nclb/accountability/](http://www.ed.gov/nclb/accountability/).

Adequate Yearly Progress (AYP) Results Reported by Indicator & Compared to District Performance 2008-09

Math	Yes	No	
API Score	Yes	Yes	
Graduation Rate	N/A	N/A	

## No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2008-09, Bonita School qualified for Schoolwide Title I funding and is subject to comply with Title I program participation requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website [www.cde.ca.gov/ta/ac/ti/](http://www.cde.ca.gov/ta/ac/ti/).

## Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. Parents stay informed on upcoming events and school activities through ConnectEd, the school web site, flyers, emails, and a bilingual parent newsletter. Contact Aaron Shrogin, Principal, at (805) 361-8280 for more information on how to become involved in your child's learning environment.

## School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Bonita School's original facilities were built in 1920's; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the addition of one new classroom and three new portable classrooms to the campus were completed.

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and one evening custodian are assigned to Bonita School. The day custodian is responsible for:

- Groundskeeping
- Restroom Cleaning
- Cafeteria Setup/Cleanup
- Classroom Cleaning
- Trash Removal

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian is responsible for:

- Office Area Cleaning
- Restroom Cleaning
- Classroom Cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

Campus Description	
Year Built	1920's
Acreage	5.0

Resource Room	1
Staff Room	1

## Deferred Maintenance

Bonita School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2008-09 school year, Bonita School received a portion of \$474,100 in deferred maintenance funds for the repair and/or maintenance of:

- Roofing
- Plumbing
- Heating/Air Conditioning Systems
- Electrical Systems
- Interior/Exterior Painting

## Facilities Inspection

The district's maintenance department inspects Bonita School on an annual basis in accordance with Education Code §17592.72(c)(1). Bonita School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Friday, December 04, 2009. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2008-09, all restrooms were fully functional and available for student use.

Exemplary	Good	Fair	Poor
		✓	

## Rating Description

*Fair: The school is not in good repair. Some deficiencies noted are critical and/or widespread. Repairs and/or additional maintenance are necessary in several areas of the school site.*

## Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, administrators, staff members, and student supervisors are strategically assigned to designated entrance areas and the playground. During recess, staff members and student supervisors supervise playground activity. Administrators and student supervisors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, administrators, staff members, and student supervisors monitor student behavior to ensure a safe and orderly departure.

Bonita School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

## School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Bonita School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in August 2009.

## Classroom Environment

### Discipline & Climate for Learning

Bonita School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Suspensions & Expulsions			
	BES		
	06-07	07-08	08-09
Suspensions (#)	35	39	8

Suspensions (#)	599	509	498
Suspensions (%)	5.91 %	4.90 %	4.72 %
Expulsions (#)	2	1	1
Expulsions (%)	0.02 %	0.01 %	0.01 %

*This table illustrates the total cases (not number of days) of suspensions and expulsions, and includes students with multiple instances of suspension. For example, a student suspended in one month for 2 days and then suspended a month later for three days is counted as two cases of suspension.*

### Class Size

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

Bonita School is part of the Quality Education Investment Act Grant which is a California state program and provides funds to decrease class size and foster staff professional development. These funds are used to hire staff in appropriate grade levels as per grant requirements. The Bonita staff follows a rigorous schedule of professional development and peer collaboration to support the improvement of instructional strategies and the analysis of student assessment data.

## Curriculum & Instruction

### Staff Development

All training and curriculum development activities at Bonita School revolve around the California State Content Standards and Frameworks. During the 2008-09 school year, Bonita School held one staff development training devoted to:

- Development of Professional Learning Community
- Grade Level Collaboration

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Bonita School supports ongoing professional growth throughout the year on minimum days. Teachers meet in both grade level and department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based

staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2008-09 school year, Bonita School's teachers attended one district-wide staff development day hosted by the Santa Maria-Bonita School District focused on the following:

- Elements of Successful Instruction for English Language Learners

Bonita School offers support to new and veteran teachers through peer coaching and mentoring. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

### Instructional Materials

All textbooks used in the core curriculum at Bonita School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Wednesday, September 23, 2009, the Santa Maria-Bonita School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution 09-08 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2009-10 school year, Santa Maria-Bonita School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

### Specialized Instruction

All curriculum and instruction is aligned to the California State Content Standards and Frameworks approved by the State Board of Education. The instructional program is structured so that all students receive instruction appropriate to their learning level. Teachers use a variety of research-based instructional strategies and techniques using state-approved instructional materials to ensure academic success.

Students with special gifts and talents need more challenging curriculum and instruction. The Gifted and Talented Education (GATE) program is offered to students in grades 3 through 6 who have been identified as academically gifted through district-administered assessments. Students participate in enrichment activities after school. Instruction is provided by teachers who are GATE Trained.

For students whose primary language is not English and who have limited English proficiency, Bonita School offers programs to help them acquire English as quickly as possible and prepare them to meet the state's academic content standards. English learners work with bilingual aides in a small group and/or individualized setting outside the general education classroom. Instruction focuses on reinforcement of class lessons, frontloading of upcoming lessons, and reading intervention. Some students may receive English Language Development instruction as a supplement to their regular language arts instruction. ELD instruction is provided through a team-teaching approach. For designated time periods, students regroup based on language fluency to receive targeted instruction at their proficiency level. Bonita School's teachers utilize Language! series, a state-approved reading intervention program and textbook adoption. Bonita Elementary School monitors progress of English Learners on a regular basis and adjusts instruction to meet the current individual learning levels.

Bonita School's special education program is staffed by a resource specialist program teacher. Instruction is provided in the least restrictive environment and based on each student's Individual Education Plan (IEP). Students have access to a comprehensive

curriculum and are mainstreamed into the general education class with small group and individualized instruction in-class and in the resource room. The IEP team meets annually to establish goals and objectives, define academic instruction, evaluate the effectiveness of the student's plan, and make instructional adjustments as necessary. Bonita School takes advantage of the district's participation in the Santa Barbara Special Education Local Plan Area (SELPA), which provides a pool of professional resources and expertise in the field of special education.

Bonita School provides a variety of intervention and remediation programs to support students' efforts to achieve academic success and reach grade level expectations. Using STAR test results, district benchmark assessments, and end-of-unit exams, teachers and administrators can identify students who are struggling or performing below state proficiency grade level standards. For those students who need extra help in any subject area, a Student Study Team pulls together school and family resources to identify and develop strategies to help students improve academic and/or behavioral performance. Intervention strategies include:

- Intervention Teachers
- Response to Intervention (RTI) Program
- Extended Day Computer Lab
- Pull Out Intervention Programs
- ASES (After School Education & Safety)
- Homework Assistance
- English Language Development
- Reading Program
- Imagine Learning

Supplementary instructional materials are purchased as needed to support intervention programs. Classroom teachers monitor student performance on district benchmark assessments, daily classwork, homework, and end-of-unit tests to measure ongoing academic progress and adjust instructional needs.

## Professional Staff

### Counseling & Support Staff

Bonita School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Bonita School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Counselors & Support Personnel (Nonteaching Professional Staff) 2008-09		
	No. of Staff	FTE
Health Assistant	1	.5
Library Media Technician	1	.4
Nurse	1	.2
Outreach Consultant	1	.5
Psychologist	1	.2
Speech and Language Specialist	1	.4
Counselor	0	0

FTE = Full-Time Equivalent

### Teacher Assignment

During the 2008-09 school year, Bonita School had 23 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.

## District Expenditures

### Salary & Budget Comparison

State law requires comparative salary and budget information to be reported to the general public. For comparison purposes, the State Department of Education has provided average salary data from school districts having similar average daily attendance throughout the state. (Note: 2007-08 salary comparison data was the most recent data available at the time this report was published.)

Salary Comparison 2007-08		
	BES	State Average of Districts in Same Category
	SMBSD	
Beginning Teacher Salary	\$44,008	\$41,866
Mid-Range Teacher Salary	\$70,424	\$68,220
Highest Teacher Salary	\$87,893	\$86,536
Superintendent Salary	\$167,527	\$178,938
<b>Average Principal Salaries:</b>		
Elementary School	\$103,474	\$107,858
<b>Percentage of General Fund Expenditures for:</b>		
Teacher Salaries	42.6%	42.1%
Administrative Salaries	5.3%	5.5%

### Expenditures Per Student

For the 2007-08 school year, Santa Maria-Bonita School District spent an average of \$8,334 of total general funds to educate each student (based on 2007-08 audited financial statements and in accordance with calculations defined in Education Code §41372). The table in this report 1) compares the school's per pupil expenditures from unrestricted (basic) and restricted (supplemental) sources with other schools in the district and throughout the state, and 2) compares the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding salaries can be found at the CDE website at [www.cde.ca.gov/ds/fd/ec/](http://www.cde.ca.gov/ds/fd/ec/) and [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/). (The figures shown in the table below reflect the direct cost of educational services, per ADA, excluding food services, facilities acquisition and construction, and certain other expenditures.)

In addition to general fund state funding, Santa Maria-Bonita School District receives state and federal categorical funding for special programs. For the 2007-08 school year, the district received categorical, special education, and support programs funds for:

- After School Learning & Safety
- Arts & Music Block Grant
- California Instructional School Garden
- Discretionary Block Grant
- Economic Impact Aid (EIA)
- English Language Acquisition Program, Teacher Training & Student Assistance
- Gifted & Talented Education (GATE)
- High Priority Schools Grants Program
- High Priority Schools: SAIT & Corrective Action
- Instructional Materials
- Lottery: Instructional Materials
- Professional Development Block Grant
- Pupil Retention Block Grant
- Quality Education Investment Act
- School & Library Improvement Block Grant
- School Safety & Violence Prevention, Grades 8-12
- Special Education
- Staff Development
- Supplemental School Counseling Program
- Teacher Recruitment/Incentives
- Title I
- Title II
- Title III

- Title IV
- Title V
- Tobacco-Use Prevention Education
- Transportation
- Transportation: Special Education
