

WHEN YOU WRITE A **STORY**

A **STORY** TELLS ABOUT A TRUE OR FICTIONAL EXPERIENCE.

Be sure to:

✓ Introduce your characters and setting at the beginning of the story

✓ Develop a plot that has a definite beginning, middle, and end

✓ Tell the story's sequence of events in a meaningful order

✓ Use an engaging voice and dialogue to make the story come alive

✓ Write an ending that resolves the story's conflict in a satisfying way
